Testimonials

"Hope all is well. Thank you again for the camp. It's taken my son's game to the next level. A few weeks after your camp he attended the BYU camp and won MVP of his age group — directly related to what he learned from you! His ball handling skills improved immensely."

— Thurl Bailey

"Gino and Anthony really enjoyed this experience. The coaches were motivating and positive. Loved the drills — we'll continue those at home! Keep doing what you're doing!"

— Mother of two sons (ages 14-15)

"All 3 children show more confidence during real league games played during the camp session. On those evenings during actual competitive games, some of the drills taught were actually used. I witnessed a spin move that was never used before. Moves that had been used before became more fluid."

— Mother of 3 daughters (ages 11, 12 and 14)

"Gabby has seen how the other players work very hard to reach their achievements. This is Gabby's first course in basketball. She continues to enjoy the challenges in this camp. Repetition has been great for her fundamental learning." — Mother of girl, age 8.
